

Garlic Bread with Buttery Herb Magic

1 loaf white bread (10 slices)
4 tablespoons butter
(softened — microwave twice for 10 seconds each)
4 cloves minced garlic
½ teaspoon salt
Italian seasoning to taste

Time to chef up!

Garlic Butter

Soften the butter (microwave twice for 10 seconds — soft, not soupy).

Add minced garlic to the butter.

Sprinkle in salt and Italian seasoning.

Mix until smooth and aromatic (your kitchen should smell amazing).

Spread the garlic butter generously on each slice of bread.

Oven method (crispy classic) Place slices on a baking tray, butter side up. Toast in the oven at 375°F (190°C) for about 8–12 minutes, until golden and crispy at the edges.

Pan method (quick & cozy option)

Heat a skillet or pan on medium heat.

Place bread butter-side down first and toast until golden brown. Flip and cook the other side briefly until warm and lightly crisp. Serve warm, enjoy the crunch, and try not to eat the whole tray yourself.
