Time to chef up!

Roasted chickpeas

Soak chickpeas overnight. Drain, then pressure cook until tender.

Drain again, pat dry (crispy mode activated).

In a skillet, heat olive oil. Toss in chickpeas.

Season with paprika, oregano, garlic, salt, and pepper.

Roast until golden and slightly crunchy.

Set aside.

Spaghetti

Boil the spaghetti in salted water for about 11–15 minutes, just until it's cooked the way you like.

Drain it, then mix it with some olive oil.

Add lemon juice, lemon zest, salt, and pepper.

Stir in mozzarella so it gets a little melty.

Top it off with fresh parsley and basil to make it look and taste fancy.
